The vocabulary and grammar is introduced in Unit 2 through the songs *Achoo!* and *What's the matter?* and in the story *Where's Lucky?*

The multi-literacy text for this unit is a leaflet about First Aid.

Speaking and writing are also explored in Unit 2 through a video for speaking and a model text for writing alongside tasks that support and build your child's confidence.

Finally, if your child will be taking an external exam in the future, they will practise for this by completing the practice material that accompanies the course.

The *Learning Lands* Pupil's App on Navio provides further reinforcement and review of the Unit 2 content through a range of game-based practice activities. Your child can work independently on these activities at home with or without your support. Their results are saved in a Progress Tracker which is accessible to their teachers. To access these activities, please use the access code which can be found in the front of the Pupil's Book.

I hope that you and your child enjoy this unit and the whole course.

With best wishes,

Class English teacher
