

Dear Parent/Care-giver,

Your child is about to start the **Welcome Unit** of their English course book *Learning Lands 5*.

In this short unit, your child will review:

- **Vocabulary:** words to describe someone's character; life experiences; hobbies
- **Grammar:** how to compare things and talk about which is the best; sentences with *if* and *when*; how to talk about your life experiences
  - *Cycling is more dangerous than skateboarding.*
  - *I think the Science Museum is the most interesting museum.*
  - *When you organise a video call, always check the time in other countries.*
  - *I've been scuba diving but I've never tried snorkelling.*

The *Learning Lands* Pupil's App on Navio provides further reinforcement and review of the Welcome Unit content through a range of game-based practice activities. Your child can work independently on these activities at home with or without your support. Their results are saved in a Progress Tracker which is accessible to their teachers. To access these activities, please use the access code which can be found in the front of the Pupil's Book.

I hope that you and your child enjoy this unit and the whole course.

With best wishes,

Class English teacher
