Hi Joe,  
Thanks for your last email. You told me your favourite singer is Kanye West. I think he's OK, but I don't enjoy rap or hip hop much. I prefer rock music. I recommend you listen to U2. I know they're not new, but I adore Bono. He's a really good singer and a great social activist! He's famous for being the lead singer of U2 and also because he does a lot of charity work. Bono was born in Dublin, Ireland, in 1960. His real name is Paul David Hewson. He is married and has four children. U2 formed in the 1970s and Bono wrote some brilliant songs, such as Sunday Bloody Sunday, Mysterious Ways and One. Sometimes he sings with other famous groups and artists, including Green Day, Rihanna or The Corrs. These days, he spends a lot of time raising money to help poor people around the world. So I wasn't surprised when they nominated him for the Nobel Peace Prize in 2003, 2005 and 2006! I really like him because he's generous and hard-working. He's also easygoing and sociable. He always talks to his fans. Have a look at his concerts on the Internet! Tell me what you think.  
Bye for now,
