Welcome children!
Have fun. Be careful
with your bags. There's
a thief in the park!

ANIMAL PARK

Catch the Thief!

The teacher tells the story with the story cards.
Then pupils listen to the story again and point to the pictures.

*I like dolphins. They're intelligent.
I don't like tigers. They're scary.*

7 Yes, you have. Look! There's a gorilla.

Oh no! My bag!

8 Stop that gorilla! It's got her bag!

Oh no!

Yeah! Well done, Olga!

9 Here's your bag.

Oh! Thank you! Let me give you a reward. What about a milkshake?

Yes, please!

10 Thank you. I love milkshakes!

Me too! And Max!

Well, the cup isn't here. But, look! It's a Quest symbol! Let's go!

Australian Animals by Charlie

Red Kangaroo

This is a Red kangaroo. It lives in big groups in Australia. The Red kangaroo eats fruit and plants. It jumps very fast. It has got very strong legs and short arms. Kangaroos have got pouches. Their babies sit in the pouch for eight months!

Australian Dingo

This is an Australian dingo. It's a wild dog. The dingo lives in the forests in Australia. It lives alone or in groups. It eats meat. Dingoes make special sounds, but they don't bark like dogs. Some dingoes live at home as pets.

1 Where does the Red kangaroo live?

2 What does the Red kangaroo eat?

3 Where does the Red kangaroo's baby sit?

4 Where does the Australian dingo live?

5 What does the Australian dingo eat?
