<Mickey> What are your plans for the summer? My plans are to sit around, sleep, read comics and surf the Net. What about you guys? 😊

**06:56 pm**  
<Andy> I'm going to help my parents. They've got a shop. They say they're going to buy me a new computer if I work for them this summer. 🤖

**07:33 pm**  
<Liz> I'm really excited. We're going to go to Spain for two weeks! You live in Madrid, don't you, Julia? Are you going to be there in July?

**08:06 pm**  
<Julia> What a pity, Liz! We live in Madrid but we aren't going to be at home in July. My friends and I are going to go to a summer adventure camp. I think it's going to be fantastic because we're going to do lots of water sports. 😊

**09:47 pm**  
<Susie> Hey, you people are lucky! I'm not going to do *anything* special. My friends aren't going to be here either. At least my cousin is going to come and stay with us for a few days. I think we're just going to go swimming, sunbathe in the garden and eat lots of ice cream!

**10:14 pm**  
<Mickey> Hey! One question. Who's going to be surfing the Net? Am I going to be chatting to myself all summer?! 🤖
