Cancer (22nd June – 23rd July)
Cancerians only want to sleep and rest. They don't do anything on holiday except read. No parties and no beach for them!

Aquarius (21st January – 19th February)
Sometimes Aquarians want to be with other people, but sometimes they don't. They like the beach but they also want to visit different places and different countries.

Leo (24th July – 23rd August)
Leo is the sign of the sun. Leos sunbathe all day. And at night they dance and have parties!

Pisces (20th February – 20th March)
Pisceans need water. They like the sea. Surfing and water sports are the perfect ingredients of their holiday. Top destinations are islands.

Virgo (24th August – 23rd September)
Virgos like doing sport. They walk, go cycling, and swim. They want to do things that are good for them.

Aries (21st March – 20th April)
Ariens want adventure. They usually take a bicycle on holiday with them. They have lots of energy. They like hot weather and action but they don't sunbathe.

Libra (24th September – 23rd October)
Librans aren't interested in the sea or the sun. They're interested in social life. They want to be in a group, and they want romance.

Taurus (21st April – 21st May)
Taureans love good food. They don't like activity. They're very comfortable people. They like good hotels, not camping holidays.
