1 Read Julie's blog entry about her favourite film and its director.

I think film director Sofia Coppola is cool. She was in her first film,
 1 _____, when she was only a few months old.
 Sofia's role was a baby boy! The actor 2 _____ is
 her cousin. Nowadays, Sofia is a famous filmmaker and as a director she's got
 3 _____ feature films* to her name. The third feature film
 that she directed was *Marie Antoinette*, and it was about the last queen of France.
 She was from Austria, but she was only 4 _____ old when she
 went to France. My favourite scene in the film is when Marie Antoinette arrives at the French
 frontier with 5 _____. The king's sister and aunt are waiting for her. Before
 she crosses the frontier, she takes off 6 _____ and puts on French clothes –
 she can't take Austrian things into France! She leaves 7 _____, too. In France,
 she's bored, so she only thinks about 8 _____. She spends a lot of money on
 shoes, for example. And she eats lots of 9 _____. I love the scene when she is
 10 _____ at a party – the music that's playing is a punk song! It's awesome!
