Communicative Activity 1

A taste of Polish culture

There is a group of English students visiting your school. You have been asked to plan an evening for them called 'A Taste of Polish culture'.

1 First, discuss how you could include the following points on your agenda for the evening:

GAMES TO BREAK THE ICE

MUSIC

LITERATURE

DANCE

HISTORY

FILMS

CATERING

2 Then, plan the evening taking the following issues into consideration:

1 The length of the event _____

2 Venue _____

3 Equipment needed _____

4 Cost _____

Here are some questions you will need to think about.

Should we focus on traditional or modern culture, or a combination of both?

Should we organise an exhibition and displays for the visitors to see?

Should we invite some experts to give talks or involve only students from our school?

Should we cook a full meal or just have snacks?
Should we do the cooking ourselves or arrange for catering?

AGREEING

*I think that's a great idea.
I'm with you there.
That's an excellent idea.
I couldn't agree more.
Let's run with that.*

DISAGREEING

*Sorry, I don't think that will work.
Not necessarily.
I'm afraid I don't agree.
You must be joking!
No way!*
