Story

Last summer Laura and her family went on holiday to Australia. They hired a car. They put all their money and passports in a small black bag. They were driving when Laura saw a nice restaurant. They stopped for lunch: sandwiches and drinks. They were getting into the car when Laura's mobile phone rang. Laura was talking on the phone when she dropped the small black bag. One hour later Laura asked 'Where's the black bag?' Fortunately, the bag was lying on the ground in the car park when they came back to the restaurant.
