

The first sentence

Find the words in the grid to write the missing sentence in each dialogue.

<p>1 A: _____ _____</p> <p>B: That's not true.</p> <p>A: Yes, it is! You come in from school, turn it on and don't turn it off until you go to bed. Whenever I see you, you're sitting on the sofa staring at a game show or cartoon.</p>	<p>5 A: _____ _____</p> <p>B: Yes. My friends. They were supposed to be here 20 minutes ago.</p> <p>A: Well, they're probably stuck in traffic. It's really bad tonight. Why don't you text them?</p>
<p>2 A: _____ _____</p> <p>B: Yes, you do! You missed the first lesson yesterday. And on Monday you didn't get here until the break at 11 o'clock.</p> <p>A: Yes, I know, but that was unusual for me. The alarm on my phone didn't go off.</p>	<p>6 A: _____ _____</p> <p>B: Lucky you. We have to be in class at nine every day.</p> <p>A: Yes, but you finish an hour before us, so you go home earlier.</p>
<p>3 A: _____ _____</p> <p>B: Are you sure? I thought it was the other way round.</p> <p>A: Oh, let me see. Yes, of course. I meant they cost more. Silly me.</p>	<p>7 A: _____ _____</p> <p>B: Wow! What do you talk about?</p> <p>A: Nothing really, we just say 'Hi, how are you?' and things like that.</p>
<p>4 A: _____ _____</p> <p>B: That's really kind of you, but I don't agree. My grammar is terrible, and I often forget simple words.</p> <p>A: OK, but your pronunciation is excellent, and you have lots of confidence.</p>	<p>8 A: _____ _____</p> <p>B: That's not true. You spent hours surfing the internet on Saturday. Then on Sunday you played video games all morning.</p> <p>A: Oh, I suppose I spend more time on it than I thought!</p>
