Today's our school fun run. Everyone's wearing a costume. Look, there's someone dressed as a tiger! Well, the principal said we could wear anything we liked! I'm wearing a mouse costume, and everyone thinks it's so funny. Where's my sister? She's here somewhere. She's dressed as a cowboy. No one thought she'd choose that costume! She wanted to be a princess, but she couldn't find a princess costume anywhere. I need to get ready—it's almost time to start!

no one    everywhere    someone  
something    everyone    anything

Look at this picture of my rollerblading club. Last month we had a race in crazy costumes.

1 Someone said it would be a good way to raise money for new rollerblades.

2 \_\_\_\_\_ thought it was a great idea, so we did it! It was hard to find a good costume—I looked 3 \_\_\_\_\_! I couldn't find 4 \_\_\_\_\_ that I could wear to rollerblade, and 5 \_\_\_\_\_ could help me look. Luckily, I found 6 \_\_\_\_\_ just in time. It was great!
