Temat: Hi!

Hi Julie,
I was with my parents at the campsite. We spent there a whole week!
The campsite was in the ~~forest~~ woods. Every day
in the morning when I woke up I heard
birds in the trees. It was great.
During our stay at the campsite we went
up every day in the mountains or
on a forest trip. We had fun and
we had a ~~good~~ good time. During
the holidays the sun was shining.
My friend from campsite told me that
it was raining as soon as we left.

Greetings,
X42.
