Where are we after 3-4 weeks?

Issues raised over last month

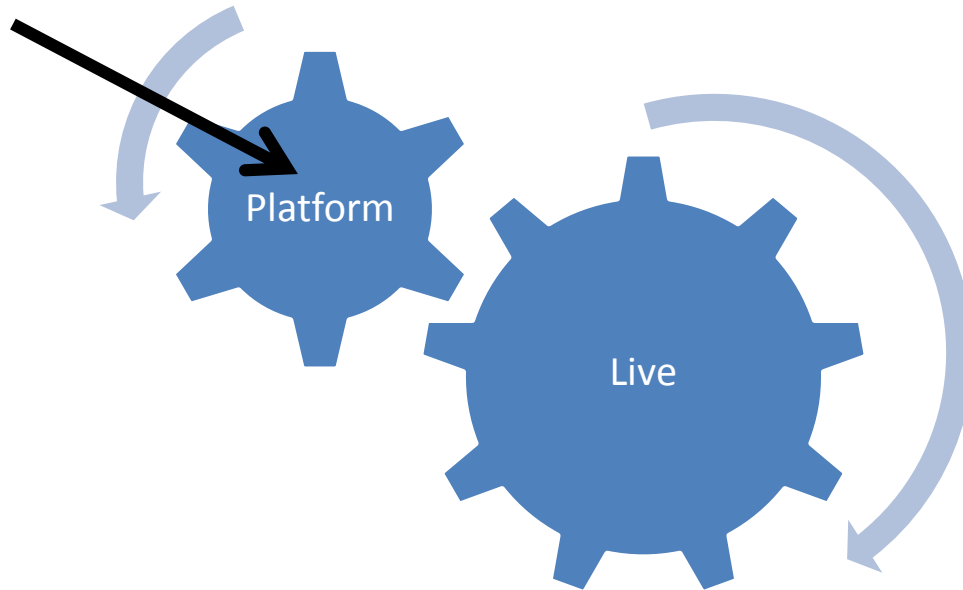

- **Virtual classrooms are tricky**
- Security
- **Teacher-centered/centred lessons**
- Students autonomy
- Digital natives
- Publisher's platforms
- **Vision of online learning**
- **Confusion over tech choices**
- **Assessment**

Tricky

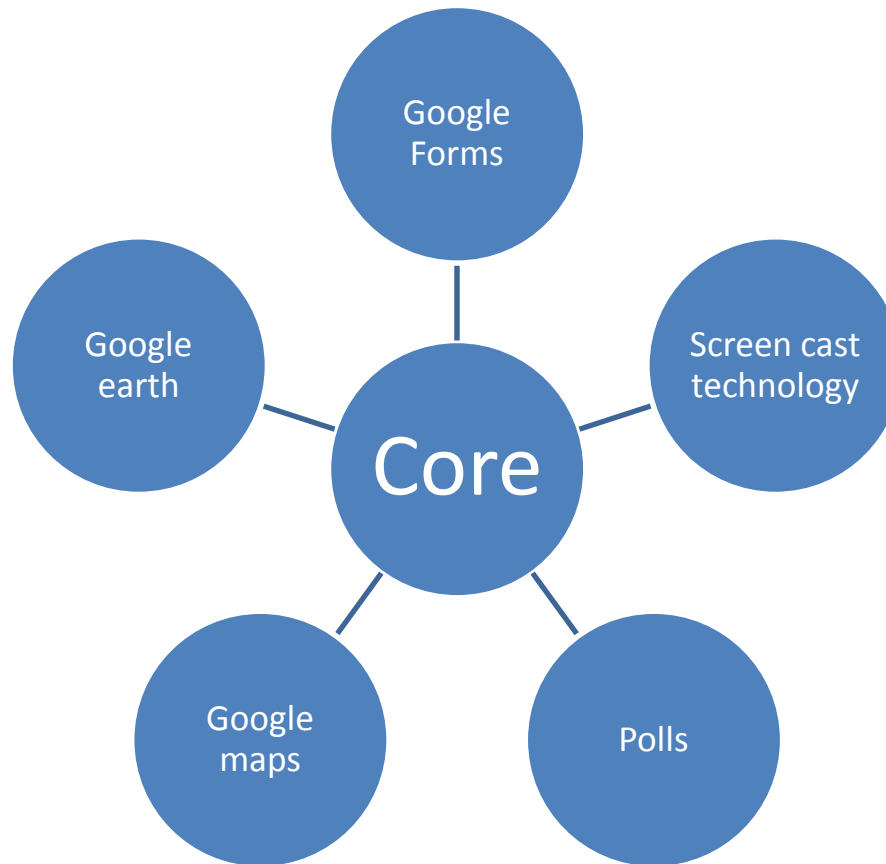

- Platforms work on different **principles**.
- All technology companies try to do **too much**.
- Zoom (screen share/settings/democratic)
- Learning curve.
