It seemed that everyone wanted to be there, because when I arrived at the school hall, it was so full that I wondered if I'd 1.2___ to get in. Fortunately, I did.

The guy first gave a talk about his path to a sports career, how he'd started to play for a professional club. He spoke a lot about his determination to achieve success and 1.3___ important it was for him to work very hard. After that, the students were allowed to ask him some questions. I managed to ask one, too! I asked him why 1.4___ football and not another discipline. He said that he'd loved football since he was a small boy and couldn't 1.5___ doing any other sport professionally. When the event was over, my friends and I still talked about it a lot. It really made us think.

Write back soon,

Dave
