

Unit 1 >>> What's in a name?

1 a Listen to the video ONLY, without watching the images. Match the information.

- |                                   |            |
|-----------------------------------|------------|
| 1 A middle name                   | a Studio 8 |
| 2 A book name                     | b Beyond   |
| 3 A full name and nickname        | c Kirky    |
| 4 A pet name                      | d Ayanna   |
| 5 A video production company name | e Mango    |

b Work in pairs. Read the sentences and discuss if they are true or false. Then watch and see how well you guessed.

- |   |                                    |
|---|------------------------------------|
| 1 Shamaiya is definitely a female.            | 4 Jeri-Lee may be a little girl.   |
| 2 Robert is probably a very old man.          | 5 Clark might be wearing a hoodie. |
| 3 Ryan is most certainly young and confident. |                                    |

2 Watch and listen again. Write the main idea of where the name comes from.

Ayanna	.....
Beyond	.....
Kirky	.....
Mango	.....
Studio 8	.....

3 a Work individually. Choose one of the following. Research and write notes about where it comes from.

name of a book ..... .....	name of a CD ..... .....
your surname ..... .....	a friend's nickname ..... .....

b Put your information together in a paragraph (70–80 words).

.....  
 .....  
 .....

c Work in groups. Read your paragraphs to each other and guess which category they refer to from Exercise 3a.
