

EDUKACJA

Describe the photo and answer the following questions:

1. What is the mood in this class?
2. What is the subject of this class?
3. Is the girl taking an exam or is it a regular lesson?
4. Do you know what kind of technology this is? Have you ever tried it?
5. Do you think that this kind of learning is possible in your school?

Think and discuss:

1. What are the pros and cons of home schooling? Would you like to try this way of learning?
2. Do you think technology affects learning? Justify your opinion.
3. What features should your dream teacher have? Do you think it is easy to be a good teacher?
4. What motivates you to learn and what are the factors that demotivate you?
5. Is learning a foreign language important? How many languages should people know? Why?
6. Imagine that you can take part in a student exchange. Where would you like to go and why? Do you think that such an exchange would be beneficial for you? Justify your opinion.

CZŁOWIEK

Describe the photo and answer the following questions:

1. What are the girls in the picture wearing?
2. What is the reason for the girls' meeting?
3. What kind of relationship do they have?
4. Why do you think they are glued to their phones?
5. Do any of the girls stand out?

Think and discuss:

1. Is judging people by their appearance fair? Explain.
2. Does following fashion trends mean looking the same as others?
3. Would you rather follow trends or wear clothes in your own style?
4. Is buying clothes on the Internet better or worse than buying them in a regular shop?
5. How much time do people spend online? Can you think of any advantages and disadvantages of that?
6. In what way do mobile phones influence interpersonal relationships? Explain.
