

**Unit 1 Grammar 1****1 Read and circle True or False.**

'I'm going to make some fruit salad,' said Dad.  
 'Can I help?' asked Katie. 'I love cooking.'  
 'Yes, of course,' said Dad. 'You can peel the apples,  
 then we need to chop the fruit.'  
 Katie's dad put the fruit on the table.  
 'Oh no! Not kiwi. I don't like kiwi,' said Katie.  
 'OK, no kiwi today,' said Dad.  
 'Are we going to weigh the fruit?' asked Katie.  
 'No,' said Dad. 'Just add them to some juice and mix them.'  
 'Making fruit salad is easy!' said Katie.
