

Dear Parent/Care-giver,

Your child is about to start the **Welcome Unit** of their English course book *Learning Lands 2*.

In this short unit, your child will learn and review:

- **Vocabulary:** numbers 11-20, months of the year, the alphabet
  - *eleven, twelve, thirteen, fourteen, fifteen, sixteen, seventeen, eighteen, nineteen, twenty*
  - *January, February, March, April, May, June, July, August, September, October, November, December*
- **Grammar:** How to ask what colour something is; how to ask where something is; questions and answers with *can*
  - *What colour is number 11? It's blue.*
  - *Where's the duck? It's on number 20.*
  - *Can you swim in July? Yes, we can.*

The vocabulary and grammar is introduced in the Welcome Unit through the songs *A new year* and *The alphabet* and in the story *A treasure hunt*, set in Amazing Park.

The *Learning Lands Pupil's App* on Navio provides further reinforcement and review of the Welcome Unit content through a range of game-based practice activities. Your child can work independently on these activities at home with or without your support. Their results are saved in a Progress Tracker which is accessible to their teachers. To access these activities, please use the access code which can be found in the front of the Pupil's Book.

I hope that you and your child enjoy this unit and the whole course.

With best wishes,

Class English teacher
