

Dear Parent/Care-giver,

Your child is about to start the **Welcome Unit** of their English course book *Learning Lands 3*.

In this short unit, your child will review:

- **Vocabulary:** numbers, places in the city, family, sports, clothes, food
- **Grammar:** Greetings and introductions; how to talk about what people are doing
  - *Hi, I'm Mia and he's Rick.*
  - *How old are you?*
  - *Where do you live?*
  - *Have you got any brothers and sisters?*
  - *What are you doing? We're swimming!*

The vocabulary and grammar is introduced in the Welcome Unit through the song *At Amazing Club* and in the story *Catch that cat*.

In addition, pupils will review the alphabet and use it to spell words.

The *Learning Lands Pupil's App* on Navio provides further reinforcement and review of the Welcome Unit content through a range of game-based practice activities. Your child can work independently on these activities at home with or without your support. Their results are saved in a Progress Tracker which is accessible to their teachers. To access these activities, please use the access code which can be found in the front of the Pupil's Book.

I hope that you and your child enjoy this unit and the whole course.

With best wishes,

Class English teacher
