

Dear Parent/Care-giver,

Your child is about to start the **Welcome Unit** of their English course book *Learning Lands 6*.

In this short unit, your child will review:

- **Vocabulary:** free-time activities, natural and city features, adjectives to describe places
- **Grammar:** how to talk about how long you've done hobbies for; talk about what things are made of; conditional sentences with *if*; *going to* and *will*
 - *I've played the piano for three years.*
 - *Some leather is made of mushrooms.*
 - *If we don't change how we live, climate change will continue.*
 - *I'm going to visit my cousins in Barcelona. I'll go to the beach when I'm there.*

The *Learning Lands Pupil's App* on Navio provides further reinforcement and review of the Welcome Unit content through a range of game-based practice activities. Your child can work independently on these activities at home with or without your support. Their results are saved in a Progress Tracker which is accessible to their teachers. To access these activities, please use the access code which can be found in the front of the Pupil's Book.

I hope that you and your child enjoy this unit and the whole course.

With best wishes,

Class English teacher
