Jim,
You were right, it's awesome. I loved the music and David March playing the role of the band manager is fantastic. I want to see it again. Would you like to go with me? Saturday, 7 pm?

I went there yesterday with my sister and some friends from her school. We all sang and danced. It was great fun! You can say I'm their fan now!

We wanted to relax, so we went to the beach, but there was a concert nearby, and it was very loud. So we packed our things and went back home to watch a film. Maybe a trip to the island is a good option for tomorrow.

Finally, it's here! The first day of the summer holidays. I'm so happy! Yesterday we had the end of school. We took some great photographs. Then me, Millie and Chris wanted to see a film, but there was nothing interesting on, so we went for a pizza. In the evening, I wanted to go to a concert, but Chris and Millie didn't like the band, so we went to the park to watch the stars. And now I want to tell you something about my holidays. Last year, my family and I went to the beach, but my mum didn't like it. She prefers hiking. This year we're trying something different – learning French in Paris. We're going there in July. I'm spending the rest of the holidays at home.

Hi Sophie,
I'm sorry but I can't come to visit you because I have a cold. I don't have a high temperature, but I have a terrible headache. The doctor says I must take some tablets and drink lots of water. I don't have to stay in bed, but I can't go out anywhere for a few days.
How is your broken leg? Does it still hurt?
I think we should ask Mark to tell us what's going on at school.
Maybe we can talk on Skype today? What do you think?
Take care,
Tim
